Lehigh Valley Philanthropic Organization, DreamHappy Foundation Gathers Blankets for Beginning Over Families

Lehigh Valley, PA. March 21st, 2011 -- DreamHappy President, William Weaver, announces the realization of the latest winter blanket drive. Many blankets collected as part of the foundation's Comfy Quilts campaign have been given to The Beginning Over Foundation, a Lehigh Valley non-profit supporting families of domestic abuse.

"I want to thank the generous members of the Lehigh Valley who have come together to donate to our Comfy Quilts campaign" Weaver said. "A blanket that sits in your closet year after year can seem like a small thing, but it can be an incredible gift to those in need. We are pleased to be able to share this gift with families going through a difficult transition."

The DreamHappy Foundation was founded last year with the goal of helping children in need. The organization achieves this goal by conducting charitable campaigns aimed at assisting children and families in less fortunate circumstances. The DreamHappy Foundation works with other non-profits, such as the Beginning Over Foundation, in order to bring help and support where it is needed most. In addition to their Comfy Quilts blanket drive, the foundation is also currently conducting their Happy Packs campaign, which is a drive to gather school supplies for children in need.

DreamHappy found a perfect outlet in the Beginning Over Foundation. This local charity, which is just moving into their new space in Easton, aids families of domestic abuse in the recovery process, helping them to "begin over" in every area of their life.

William Weaver, DreamHappy's president, is a technology entrepreneur who has established several successful companies. He founded the DreamHappy Foundation in early 2010 with three colleagues. "We wish to help create a better world through the development of campaigns which give back to the community and help those in need" states Weaver. "We want people to understand that when we all work together, even small efforts can do a great deal of good."

The DreamHappy foundation would like to thank the Women's Center at Lehigh University and The Office Quarters for their role as Comfy Quilt drop-off locations where residents of Lehigh Valley are able to drop off their gently used and new blankets in order to support the DreamHappy initiative.
